

U.S. Patent Application of MORISADA et al.; Serial No.: 09/842,258
Amendment; Our Docket No.: PY-21

IN THE DRAWINGS:

Please amend the drawings to replace the legend “+2kHz” with “+2MHz”, as required by the Examiner. Our correction and the submission of a Replacement Sheet for Fig. 5 should overcome the objection raised by the Examiner.

REMARKS

This amendment after final rejection is responsive to the Examiner's final Office Action of April 5, 2006. The Examiner's comments in that action have been carefully considered.

The Examiner has required that the drawings be amended to replace the legend "+2kHz" to "+2MHz". This correction has been made, and a Replacement Sheet for Fig. 5 is submitted with this Amendment. This response should overcome the objection raised by the Examiner.

Of claims 1, 2, 4-7 and 9-16 of record, the Examiner has rejected claims 1, 2, 9, 11, 13 and 14, for reasons set forth in paragraphs 6-7 of the Office Action. However, the Examiner has indicated that claims 4-7, 10, 12, 15 and 16 have been allowed.

In order to place this application into condition for allowance, rejected claims 1, 2, 9, 11, 13 and 14 have been canceled without prejudice, and allowed claims 4-7, 10, 12, 15 and 16 have been retained in the application. It appears, therefore, that this application is now in condition for allowance. Early allowance and issuance is, accordingly, respectfully solicited.

Applicant hereby petitions that any and all extensions of time of the term necessary to render this response timely be granted. COSTS FOR SUCH EXTENSION(S) AND/OR ANY OTHER FEE DUE WITH THIS FEE DUE WITH THIS PAPER THAT ARE NOT FULLY COVERED BY AN ENCLOSED CHECK MAY BE CHARGED TO DEPOSIT ACCOUNT #10-0100.

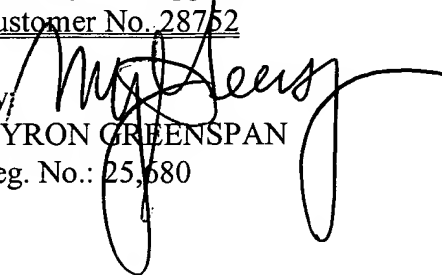

Date: April 25, 2006
